Professional summary

Finance professional with experience in **Accounts Payable and global payment operations** at Genpact. Skilled in managing **payment batches, vendor payment cycles, reconciliation, and month-end financial activities** across multiple international entities. Experienced in **Oracle Fusion Cloud ERP and Procure-to-Pay (P2P) workflows**. Currently strengthening expertise in **Advanced Excel** and planning to develop **Power BI capabilities for financial data analysis and reporting.**

Experience

Genpact India Pvt. Ltd.

Finance Analyst – Accounts Payable

Lucknow | Nov 2024 – Present

- Prepare and process **payment batches for multiple global entities (AU, NZ, MIOL, IN, ID)** ensuring compliance with internal financial controls.
- Share payment batch details with respective **Business Units (BU)** for validation and implement **additions or deletions based on BU instructions** prior to payment release.
- Execute vendor payments through **WIRE, CHECK, EFT, and CLEARING** payment methods.
- Perform **quality checks on payment batches** to validate invoice references, vendor details, and payment accuracy.
- Utilize **Oracle Fusion Cloud ERP** to manage payment transactions and support **end-to-end Procure-to-Pay operations**.
- Support **month-end closing activities**, including payment reconciliation and financial data verification.
- Resolve **vendor payment queries within SLA timelines** while coordinating with internal teams for smooth payment operations.
- Assist in **payment forecasting and financial planning activities** through validation of invoice and payment data.

Finance & Audit Intern | Cost Accounting Firm

June 2024 – Oct 2024

- Assisted in the physical verification and audit of assets at **IIIT Ranchi**, ensuring accurate tagging and record-keeping.
- Contributed to improving documentation and accountability within the institutional financial and asset management systems.
- Maintained accurate, structured, and secure data using Microsoft Excel for audit and reporting purposes.
