PROFESSIONAL EXPERIENCE

SUNCITY ELECTRA VEHICLE | Business Head | June 2022 – Present | Jodhpur

- Manage day-to-day customer interactions and showroom experience in a fast-paced EV dealership environment.
- Handle customer concerns, issue resolution, and post-sale relationship management to improve customer satisfaction and retention.
- Coordinate workflows across service staff and technicians, ensuring smooth daily operations and service prioritization.
- Supervise and coordinate a team of 6–8 staff members for operational execution and repair management.
- Act as a key point of contact between customers, technicians, and external stakeholders for issue escalation and resolution.
- Maintained approximately 20% customer return/referral rate through relationship-driven customer engagement.
- Supported showroom operations during high-footfall periods handling up to 40–50 customer interactions daily.
- Resolved customer escalations through empathetic communication and solution-oriented support.

FILO | Assistant Manager – Learning & Creator Operations | Jan 2022 – June 2022

- Trained and coached educators/presenters on communication, camera presence, audience engagement, and presentation effectiveness.
- Coordinated with teachers and video production teams to ensure smooth execution of workflows and schedules.
- Conducted feedback and performance review sessions to improve presenter confidence and delivery quality.
- Created structured guidance processes for presentation improvement and communication consistency.
- Managed scheduling, coordination, and cross-functional collaboration in a fast-moving startup environment.

SEEKHEGA INDIA | Content Head & Learning Program Lead | June 2017 – July 2021

- Led learning program development, creator mentorship initiatives, and operational coordination for a fast-growing education platform.
- Managed and coordinated an 8–10 member team across planning, execution, and program delivery.
- Designed and led the complete 14-hour 'Videopreneur' learning program focused on creator education and digital entrepreneurship.
- Mentored 1,000+ aspiring creators and guided premium members through personalized one-on-one consulting sessions.
- Conducted creator guidance sessions covering communication, confidence building, and audience engagement.
- Took ownership of end-to-end program execution including planning, updates, member support, and continuous improvements.
- Contributed to the growth of the platform's YouTube community from 463K to 5.8M subscribers.
