SUMMARY

Results-driven Digital Marketer with 10 months of hands-on experience in Meta Ads, WhatsApp marketing automation, email marketing, and creative content production. Generated 1,200+ leads across wholesale and financial services with CPL as low as ₹13.62. Skilled in A/B testing creatives and copy, building engagement-focused WhatsApp workflows, and designing ad creatives that convert.

KEY ACHIEVEMENTS

- Generated 345 wholesale leads at ₹13.62 CPL — a 73% reduction from ₹50 CPL through creative testing and audience refinement
- Delivered 1,000+ loan leads at ₹24.05 CPL using Lookalike Audiences and conversion-focused ad creatives
- Managed WhatsApp subscriber lists of 500+ contacts achieving 40–45% open/response rates via Interakt automation
- Created 60+ WhatsApp message templates and lead nurturing sequences driving higher post-ad conversion
- Achieved 33% email open rate at Apex Etech — above the 20–25% industry average
- Designed ad creatives and social media content using Canva across Meta campaigns and Instagram accounts

PROFESSIONAL EXPERIENCE

Digital Marketing Executive — **AdGrow Media** *Jan 2026 – May 2026*

- Managed Meta Ads lead generation campaigns across wholesale and financial services, generating 1,200+ leads with CPL as low as ₹13.62
- Reduced cost-per-lead by 73% (₹50 → ₹13.62) through systematic A/B testing of ad creatives, copy, and audience segments
- Designed ad creatives using Canva — including static posts, carousel ads, and promotional banners optimised for lead generation
- Built and scaled WhatsApp marketing workflows using Interakt and chatbot automation — managing 500+ subscribers with 40–45% open rates
- Created 60+ WhatsApp message templates with CTA-focused copy, personalized sequences, and automated lead follow-up flows
- Managed social media accounts and scheduled content using Canva and Meta Business Suite across multiple client pages
- Monitored CPL, CTR, and conversions daily using Meta Ads Manager; optimised campaigns based on performance data
- Supported Google Ads campaigns for loan lead generation as part of broader paid media strategy

Marketing Intern — **Apex Etech Pvt. Ltd.** *Jul 2025 – Oct 2025*

- Executed email marketing campaigns achieving 33% open rate — above the 20–25% industry average
- Built and managed a 1,000+ contact B2B leads database for targeted outreach in the tech sector
- Designed and optimised email templates and drip sequences to improve lead nurturing
- Conducted market and competitor research to inform targeting and messaging strategy

Digital Marketing Intern — **DPT Hub Pvt. Ltd.** *Mar 2025 – Apr 2025*

- Managed 3–4 Instagram accounts, maintaining consistent posting schedules and brand voice
- Created social media creatives and reels using Canva; performed off-page SEO activities
