Profile Summary

I have over 2.5 years of experience as a Personal Banker, ensuring 100% compliance with RBI KYC norms by verifying savings account documents with high accuracy. I managed daily branch transactions exceeding hundreds per day, including RTGS, NEFT, and loan payments, maintaining precise records to meet audit standards. I enhanced early customer engagement through proactive welcome calls, resolving queries within defined TAT. Skilled in KYC compliance, transaction processing, and customer relationship management, I collaborated with national centers to expedite account openings, demonstrating strong communication and coordination abilities that streamline banking operations effectively.

Work Experience

Dec 2019 - Aug 2022
Personal Banker
Yes Bank

Key Responsibilities

- Verified Savings Account opening documents with high accuracy, ensuring full compliance with RBI KYC norms and internal bank policies.
- Identified documentation discrepancies, coordinated with internal teams for clarification, and provided guidance to ensure timely query resolution within defined TAT
- Managed the welcome-calling process for newly onboarded customers to verify details, address concerns, and enhance early customer engagement
- Collaborated with the National Processing Center to prioritize account opening requests and followed up proactively to expedite resolution of pending cases.
- Processed a wide range of daily branch transactions—including deposits, withdrawals, fund transfers, RTGS, NEFT, loan payments, and issuance of cashier's checks—while maintaining high accuracy and adherence to compliance guidelines.
- Maintained precise and up-to-date transaction records, ensuring all supporting documents met regulatory and audit standards
- Assisted customers with inquiries related to banking products, account management, and branch services, providing clear and customer-centric solutions.
