Professional Summary

Workplace Operations professional with extensive experience in Integrated Facility Management, currently serving as Senior Manager at Awfis Space Solutions, managing an 84,000 sq. ft. high-profile Accenture client site in Jaipur. Proven expertise in vendor and SLA/KPI/OLA governance, HT/LT engineering services, statutory compliance, cafeteria management, EHS, crisis/business continuity response, and stakeholder and client relationship management. Skilled in leading multi-disciplinary teams of 100+ personnel, cost control, and driving operational excellence while sustaining strong client satisfaction. Seeking to bring this cross-functional facility management expertise to the Workplace Facility Management Associate Manager role at Accenture.

Core Competencies

Integrated Facility Management • Vendor & Service Partner Governance (SLA/KPI/OLA) • Engineering & Technical Services (HT/LT) • Statutory Compliance & Audits • EHS & Business Continuity Planning • Corporate Real Estate Coordination • Cafeteria & Soft Services Management • Client & Stakeholder Relationship Management • MIS Reporting & Budgeting (OPEX/CAPEX) • Team Leadership & Development • Operational Compliance • Customer Satisfaction

Professional Experience

Awfis Space Solutions Limited — Jaipur, Rajasthan, India
Senior Manager — *April 2025 – Present*

- Lead integrated facility management operations for a high-profile 84,000 sq. ft. Accenture client site, overseeing daily/weekly/monthly service delivery, asset management, engineering, and soft services in line with corporate standards and SLAs.
- Manage a team of 100+ direct and vendor personnel, driving operational excellence, accountability, role clarity, and workload balance across multiple functions.
- Govern service partner and vendor performance using SLA, KPI, and OLA frameworks; identify service gaps and implement corrective action plans to sustain high service quality.
- Implement cost control measures and manage OPEX/CAPEX budgets in coordination with site operations and commercial teams, enhancing site profitability.
- Streamline vendor management and cafeteria operations, improving hygiene, service quality, and employee/visitor satisfaction in line with EHS and statutory requirements.
- Maintain consistent alignment with client expectations, fostering a productive, safe, and engaging workplace environment.

Awfis Space Solutions Limited — Jaipur, Rajasthan, India
Community Manager — *April 2024 – July 2025*

- Managed end-to-end integrated facility operations for an 84,000 sq. ft. Accenture site (JPDC2A), including HT and LT equipment, engineering infrastructure, and building maintenance, ensuring consistent uptime and compliance.
- Oversaw high-profile foreign client and delegation visits, ensuring seamless experience, protocol adherence, and effective crisis/business continuity readiness.
- Conducted structured client relationship reviews, consistently securing positive feedback while resolving escalations and maintaining strong stakeholder engagement.
- Mentored team members through structured delegation, building a collaborative environment focused on service excellence and workplace productivity.

Awfis Space Solutions Limited – Assistant Community Manager, Delhi (Nov 2022 – Aug 2024); Senior Community Executive, Gurugram (Apr 2022 – Nov 2022); Management Trainee, Delhi (Jul 2020 – Mar 2022)

- Progressed through operational roles supporting facility operations, vendor coordination, compliance tracking, and customer satisfaction initiatives across multiple corporate workplace sites.

Pullman-Novotel New Delhi Aero city –, New Delhi (Jan 2019 – Oct 2019)
