PROFILE

Detail-oriented and proactive professional with background in multi-center clinical operations and client services. Highly skilled in space optimization, vendor coordination, inventory management, and ensuring smooth operational workflows. Adept at handling client inquiries, maintaining high hospitality standards, and resolving member concerns. Eager to bring strong operational leadership and member-first focus to a dynamic Coworking Facility Manager role.

PROFESSIONAL EXPERIENCE

Ottobock, Delhi – **Facility Operations & Service Intern** 04/2026 — 05/2026

- Managed daily center readiness, ensuring clean, compliant, and optimized layout for client visits and appointments.
- Handled client inquiries, scheduled visits, and facilitated seamless communication between operational teams and visitors.

ALIMCO, Delhi – **Operations & Inventory Intern** 03/2026 — 04/2026

- Overhauled component stock management, conducting regular audits and quality control checks to avoid operational downtime.
- Coordinated with technical staff and external vendors for equipment maintenance and material replenishment.

BMVSS, Delhi – **Facility & Client Operations Intern** 02/2026 — 03/2026

- Managed high daily visitor footfall through organized queue management, registration, and front-desk coordination.
- Maintained facility cleanliness, hygiene, and strict safety standards across all functional areas.

Kiwanis Rehabilitation Center, Delhi – **Facilities & Member Support Intern** 01/2026 — 02/2026

- Conducted daily facility and equipment safety checks to ensure smooth uninterrupted daily operations.
- Provided warm front-line customer service, promptly addressing visitor feedback and resolving service issues.

Northern Railways Central Hospital, Delhi – **Operations Support Intern** 12/2025 — 01/2026

- Assisted in routine maintenance of hardware and specialized equipment while adhering to safety protocols.

PDUNIPPD, Delhi – **Facility Operations Support Intern** 11/2025 — 12/2025

- Maintained workspace organization, logged material inventory, and supported routine facility operations.
