CAREER OBJECTIVE

Results-driven Sales Professional with 12+ years of experience in real estate sales, office leasing, and client relationship management. Seeking a challenging role where I can leverage my expertise in sales strategy, lead generation, and business growth to contribute to organizational success.

CORE COMPETENCIES

- **Real Estate & Office Leasing:** Coworking spaces, managed offices, commercial property sales, site visits, and layout consulting.
- **Business Development:** End-to-end sales cycle management, corporate sales, direct client acquisition, and pipeline management.
- **Strategic Partnerships:** Channel partner management, IPC (International Property Consultants) coordination, broker engagement, and consultant networks.
- **Client Relations & Operations:** Key account management, commercial negotiations, stakeholder coordination, and seamless onboarding.

PROFESSIONAL EXPERIENCE

Manager - Sales **Sep 2025 - Present**

Vatika Business Centres Pvt. Ltd. — Gurugram, India

- Drive the end-to-end sales cycle, including lead generation, client acquisition, requirement analysis, solution consulting, commercial negotiations, and final deal closures.
- Manage leasing and sales of premium coworking and managed office spaces across key NCR commercial landmarks (Vatika FIP, Vatika Triangle, Vatika Atrium, Thapar House, Okaya Centre, and Logix Cyber Park).
- Cultivate and leverage strategic relationships with IPCs, brokers, consultants, channel partners, and institutional corporate clients to generate sustainable pipelines.
- Collaborate across internal functions—including operations, legal, and finance—to ensure standard compliance, accurate documentation, and smooth client onboarding.
- Generated approximately ₹2 Crore in revenue through targeted leasing closures and high-occupancy optimizations.
- Maintain consistently elevated conversion rates via proficient pipeline tracking, data analytics, and disciplined CRM administration.

Lead Management, Direct Sales & Sales Support **Mar 2016 - Dec 2024**

Skootr Global Pvt. Ltd. — Delhi NCR, India

- Originated business opportunities through structured broker programs, IPC engagement, and outbound direct outreach across multiple regional markets (Delhi NCR, Jaipur, and Hyderabad).
- Conducted formal client requirement discovery, coordinated multi-site inspections, drafted tailored commercial commercial proposals, and anchored business terms discussions.
- Engineered end-to-end pipeline management systems, monitoring deal lifecycles, projections, and executive reporting metrics utilizing Zoho CRM and Salesforce.
- Identified high-value prospects and key decision-makers utilizing B2B intelligence tools including LinkedIn Sales Navigator, Lusha, Easyleadz, and Snov.io.
- Designed and executed automated email marketing strategies within Mailchimp to nourish colder leads and support broader demand generation initiatives.
- Partnered closely with operations teams to align customized spatial deliveries with tenant specifications for a seamless move-in experience.

Business Associate **Jan 2014 - Mar 2016**

Apical India Realty Pvt. Ltd. — Gurugram, India

- Supervised CRM platform data integrity and provided end-to-end administrative support to the business development division.
- Qualified incoming inquiries, managed customer communication logs, and executed structured pre-sales and post-sales workflow coordinates.
- Facilitated systematic inbound and outbound telephonic consultative operations and scheduled high-intent client site visits.
- Maintained accurate MIS reports, transaction data rooms, and digital property portfolios across dominant online commercial portals.

HR Consultant **Jan 2012 - Jan 2014**

Sayvaa — New Delhi, India

- Managed end-to-end recruitment mandates for Tier 1 Information Technology enterprises, specializing in high-skill profiles (TSP, SSP, Pre-Sales Consultants, and Solution Architects).
- Sourced, screened, and mapped specialized professional talent pools via Naukri, Monster, and LinkedIn networks.
- Conducted preliminary behavioral evaluation, managed interview logistics, monitored pipeline tracking matrixes, and administered administrative documentation compliance.
