Procurement Head | bathXpertz (Kajaria Group) | Jun 2024 – Mar 2026

- Led end-to-end procurement transformation for a ₹60+ Cr portfolio, expanding the supplier ecosystem from 80 to 150+ vendors across **12 categories** to strengthen sourcing capacity and business scalability.
- Streamlined procurement operations, reducing the average procurement cycle from 45 to 31.5 days (30% improvement), enabling execution of 40+ additional projects and contributing approximately ₹15 Cr in incremental revenue.
- Drove strategic sourcing and supplier negotiations, delivering approximately ₹1.8 Cr in annual cost savings (18% reduction) while sustaining 99%+ quality and on-time delivery performance.
- Established real-time procurement analytics covering 200+ SKUs, supplier performance, and operational KPIs, enabling data-driven decisions and reducing procurement waste by 12% (~₹45 lakh).
- Implemented vendor scorecards and performance governance, strengthening supplier accountability and reducing the defect rate from **2.2% to 0.7%.**

Regional Category Manager | Birla Pivot | May 2023 – May 2024

- Owned and scaled category procurement P&L from approximately ₹8 Cr to ₹25 Cr across consumer durables and home furnishing categories, driving portfolio growth and commercial performance.
- Optimized the supplier ecosystem by consolidating 220 suppliers to 140 active strategic partners, while delivering approximately 12% cost reduction (~₹3 Cr) and improving quality performance by reducing defects from 2.8% to 0.9%.
- Led an 8-member procurement team and introduced KPI dashboards, structured vendor reviews, and performance governance, improving on-time delivery by 25%.
- Strengthened supply chain resilience through geographic supplier diversification across 8 regions, reducing delivery-related risk by 40% and improving sourcing continuity.

Vendor Development Manager | Dalmia Bharat / Hippo Stores | Jul 2020 – May 2023

- Managed a 250+ supplier ecosystem**,** implementing a **Gold/Silver/Bronze vendor classification framework** based on quality, cost competitiveness, delivery performance, and strategic importance.
- Digitized and automated procurement workflows through ERP integration, reducing **procurement cycle time from 15 to 3 days (80% improvement)** and cutting **manual touchpoints by 60%**.
- Led cross-functional supplier initiatives spanning **product development, sampling, commercialization, pricing, and supplier negotiations**, ensuring alignment between business requirements and sourcing capabilities.
- Established quarterly vendor performance reviews and structured escalation mechanisms**,** strengthening supplier governance and sustaining **>99% quality compliance** across the vendor base.

Senior Category Manager | Domus Global Retail Pvt. Ltd. | Jun 2019 – Jul 2020

- Led Pan-India supplier onboarding and category expansion, building a comprehensive supplier, vendor, and buyer database across multiple product categories to strengthen sourcing and marketplace capabilities.
- **Owned category P&L and commercial performance**, driving **merchandising, product information management, assortment planning, and order fulfillment** initiatives aligned with operational and revenue targets.
- **Drove end-to-end order fulfillment and process compliance**, ensuring **100% fulfillment** while coordinating with taxation and accounts teams to maintain accurate commercial and financial processes.
- **Supported business growth initiatives** through supplier development, category optimization, cross-functional coordination, and process improvements across the procurement and retail ecosystem.
