Summary

Community and front office professional with 8+ years of experience across coworking operations, administration, customer support, and client servicing. Skilled in member relations, front desk operations, scheduling, issue resolution, vendor coordination, and day-to-day facility support. Known for maintaining organized operations, handling high-volume interactions professionally, and creating a positive experience for members, visitors, and customers.

Employment History

Community Manager, Space Creattors Heights, Gurugram

June 2024 — May 2026

- Manage day-to-day co-working space operations to ensure a smooth and professional member experience.
- Handle front desk responsibilities including calls, visitor coordination, scheduling tours and managing mail and packages.
- Respond to member inquiries, resolve operational issues, and support members with workspace-related needs.
- Coordinate routine requirements such as meeting room usage, printing, electricity, courier handling, and visitor management.
- Support administrative reporting, documentation, and internal coordination with team members and vendors.
- Conduct property tours and assist with inspections to maintain service quality and operational readiness.

Administration and Front Office Executive, DCC Animal Hospital, Delhi

September 2021 — June 2024

- Supported daily front office and administrative operations, including record filing and office documentation.
- Maintained a clean, safe, and welcoming reception and lobby environment for visitors, staff, and patients.
- Coordinated front office workflows to ensure timely service and smooth handling of customer requests.
- Managed office supplies and basic administrative requirements to keep operations organised and uninterrupted.
- Helped implement office procedures and compliance practices that improved consistency and workplace safety.
- Resolved routine problems promptly and delivered professional customer support in a fast-paced environment.

Customer Support Officer, Co-gent E Services, Noida

August 2018 — June 2020

- Managed high-volume customer calls while maintaining professionalism and service quality.
- Explained products and services clearly to customers and recommended suitable options based on needs.
- Worked with cross-functional teams to resolve escalated issues quickly and effectively.
- Improved support efficiency through structured ticket handling and case follow-up.
- Identified recurring customer concerns to support better resource planning and service improvement.
