AMAN RAJ

Community Manager | Operations • Workplace Experience • Client Success

+91 8792582694 | mrraj7731997@gmail.com | linkedin.com/in/amanraj-36a6a616b

PROFESSIONAL SUMMARY

Results-driven Community Manager with 7 years of experience across co-working, workplace services and hospitality. Progressed steadily at Awfis Space Solutions from Senior Community Service Executive to Assistant Community Manager, independently managing multiple centers including their pre-opening and closure, and now Community Manager, reflecting a consistent record of operational excellence, leadership and customer-centric service delivery.

Experienced in end-to-end business center operations, client onboarding, enterprise account management, vendor and facility management, budget optimization and team development. Proven ability to resolve complex client escalations, maintain SLA compliance, grow revenue through value-added services, reduce operating costs through vendor negotiations and build long-term relationships with premium clients.

Seeking a progressive role in Operations Management, Workplace Experience, Facility Management or Customer Success within the co-working, FMCG, hospitality or corporate services sector.

CORE COMPETENCIES

• Business Center Operations • Workplace Experience • Facility & Repair Maintenance • Team Leadership & Training	• Client Onboarding & Renewals • Vendor & AMC Management • Opex & Budget Control • Center Pre-opening / Closure	• Enterprise Account Management • Revenue Generation & Collections • SLA & CSAT Compliance • Escalation Management

PROFESSIONAL EXPERIENCE

Community Manager

Apr 2026 – Present

Awfis Space Solutions Limited | Co-working / Managed Workspaces

- **Center ownership:** Own the complete business center P&L-linked operations, covering occupancy, revenue, collections, client satisfaction and operating expenses.
- **Revenue & collections:** Drive revenue through renewals, upselling and value-added services, while ensuring timely collection and accurate account management.
- **Cost control:** Control opex through vendor alignment, negotiation of service terms and monitoring of AMC and repair & maintenance spends.
- **Client relationships:** Manage premium and enterprise client relationships, resolve escalations quickly and track CSAT to protect retention.
- **Team leadership:** Lead, train and mentor the center team, set service standards and ensure SLA compliance across daily operations.
- **Center lifecycle:** Oversee center pre-opening and closure activities, including readiness checks, vendor coordination and handover.
- **Reporting:** Prepare and review operational and financial reports for management on a regular basis.

Assistant Community Manager

Apr 2024 – Mar 2026

Awfis Space Solutions Limited | Co-working / Managed Workspaces

- **Independent operations:** Independently managed end-to-end operations of the center, handling daily operations.
- **Multi-center management:** Took charge of multiple centers, ensuring consistent service standards, SLA compliance and smooth day-to-day functioning across locations.
- **Pre-opening & closure:** Led the pre-opening of new centers, including site readiness, vendor alignment, setup coordination and client onboarding, and managed center closures including handover and exit formalities.
- **Revenue:** Drove revenue through client renewals, value-added service sales and follow-up on outstanding collections.
- **Account handling:** Handled client accounts end to end, from onboarding and documentation to service requests (ASR) and issue resolution.

- **Vendors & facility:** Coordinated with vendors for repair and maintenance, AMC services and facility upkeep to keep service quality high and costs in check.
- **People:** Trained new joiners, supervised front-desk, housekeeping and support staff and maintained consistent service standards.
- **Quality & reporting:** Monitored CSAT, acted on client feedback and maintained timely operational reporting.

Senior Community Service Executive
Mar 2023 – Mar 2024

Awfis Space Solutions Limited | Co-working / Managed Workspaces

- **Client service:** Served as the primary point of contact for clients, building strong relationships and resolving requests and complaints promptly.
- **Accounts & renewals:** Managed client accounts, renewals and collections, and supported revenue through service upselling.
- **Maintenance:** Coordinated repair and maintenance, ASR resolution and vendor follow-ups to minimize downtime.
- **Center support:** Supported center pre-opening and closing activities and trained new team members.
- **Reporting:** Maintained reports and contributed to improving customer satisfaction (CSAT) scores.
